Diamond K Ranch

Diamond K Ranch is in a great location in Mills County, situated just 15 minutes south of Goldthwaite, Texas, and ~3 miles off Hwy 183. The ranch is on a private road so it's very peaceful and quiet which lends itself to support a great population of deer, hogs, turkey, dove and various varmints. There are 3 established deer blinds and food plots. The property has one tank, and Shaw Creek runs through the middle of the property providing great water sources for the wildlife. Throughout the 90+ feet of elevation changes on the ranch, it provides beautiful views of San Saba Peak. It comes with a double wide 3/2 manufactured home with a wood burning fireplace, metal barn and shed. Electricity and one water well onsite.
